ALEXANDRIA PLANS BIG IMPROVEMENTS

With Additional Territory Annexed, City Departments Will Be Enlarged Shortly.

ALEXANDRIA, March 13.—With annexation of a large portion of the territory asked for, city officials are planning extensive improvements in its municipal departments.

While the revenue to be received by the city from the annexed territory for the next five years must be spent on the new portion of the city, it can be spent in such a way as to benefit not only the new section of the city, but also the older portion.

Some time ago when annexation was first considered the police commission decided that they could handle the enlarged city with the addition of an automobile patrol, with two officers assigned as chauffeurs, and two mounted policemen. They also decided that a police call box system was an absolute necessity. The increased cost will be about \$5,000.

The fire department will need a new station in the vicinity of Rosemont and a chemical engine to be stationed in West End. The addition of modern motor trucks for the Relief Hook and Ladder Company, and a fire-alarm system will give Alexandria excellent fire protection.

The school situation will be well taken care of by the new high school building at West and Cameron streets and two school houses already located in the annexed territory.

New streets and sewers will be required in the new section. The assessed value of the property to be taken in is about \$1,000,000 and under the provisions of the State constitution the city will be permitted to issue \$180,000 in bonds to make public improvements in the section.

A copy of the decree of the Supreme Court reached here today. The city is given all the territory asked for in Fairfax county and a strip from Alexandria county, including all of Rosemont and a portion of Braddock Heights. The dividing line close to the old Muehlepost road about 500 feet south of Poorhouse lane.

SCOUTS SERENADE ANDERSON HOME

Drum and Bugle Corps Is Entertained at Massachusetts Avenue Residence.

Fifty Boy Scouts, comprising the Washington Boy Scout Drum and Bugle Corps, were entertained in the large home of Mr. and Mrs. Lars Anderson, 218 Massachusetts avenue, last night, when they serenaded the hostess and the echoes of that exclusive residential section were startled with a blare of music that indicated lusty lungs and vigorous young arms.

The occasion was given an international aspect by the presence of the two sons of the late Countess De Buisseret, who were Belgian Boy Scouts prior to coming to this country last month to live with their grandparents, Maj. Gen. John P. Story, U. S. A., retired, and Mrs. Story. The De Buisseret boys were the guests of Mr. and Mrs. Anderson yesterday, when their fellowscouts arrived.

At the dinner which followed the serenade, Deputy Field Executive E. E. Fisher, in charge of the first division, suggested a ticket for 1916 with Justice Hughes, of the Supreme Court, as nominee for President, and Mr. Anderson for Vice President, an idea that was vociferously cheered by the scouts. Mr. Fisher said he expected to propose the name of Mr. Anderson for honorary vice president of the local Boy Scout council.

The Scouts last night were recruited from Troops 11 and 47, of the North-west side. Troop 11 is of Randall Highlands, and Troop 47 of Congress Heights. They were in charge of Mr. Fisher, who is scoutmaster of Troop 11; James L. Kidwell, leader of the drum and bugle corps and scoutmaster of Troop 47, and Scoutmaster H. L. Taylor, of Troop 47. A number of first-class scouts who have recently passed merit badge tests were presented with their badges by Mrs. Anderson.

After leaving the Anderson home the Scouts marched to the Immanuel Baptist Church, Sixteenth street and Columbia road, where they visited Troop 19, being organized there, then Troop 47 headquarters on U street, near fourteenth. A squad of them also called at Friendship House before going home.
